

Economic Hardship Deferment Family Size Data Form

The law that governs this deferment type was changed to allow borrowers to qualify for an Economic Hardship Deferment based on 150% of the poverty guidelines applicable to their actual family size.

If you work full time and your gross monthly income does not exceed the amount listed below for your applicable family size and state, you may qualify for the deferment. Please complete and return this form with the Economic Hardship Deferment request so that we can properly determine your eligibility.
