November 13, 2008

Special Edition

**E-UPDATES** is an electronic newsletter sponsored and operated by the Student Loan Guarantee Foundation of Arkansas (SLGFA) to provide program information to schools and lenders participating in the Federal Family Education Loan Program (FFELP).

## SLGFA's New Website is Ready to Assist You

SLGFA is pleased to announce the re-launch of its website. School and lender partners can take advantage of the improved features by going to [www.slgfa.org](http://www.slgfa.org).

Designed to be more user-friendly, the site now features interactive enhancements and updated content, as well as an intuitive search feature located at the top of the home page. School and lender partners can more easily access FFELP forms, E-Updates, important events, the SLGFA staff directory, and more all from the home page.

SLGFA's improved site also features helpful information for students, borrowers, and parents, who may need more information about the FFELP loan program or need help finding information about their student loans. Through its partnership with Mapping Your Future, SLGFA has also added college calculators to help students estimate their loan repayment or manage their debt.

School and lender partners may need to update their bookmarks, as many of the links have been moved, deleted, or integrated into existing pages.

If you need more information about the site's features or need assistance in locating information, please contact SLGFA School and Lender Services Communications Coordinator [Kim Marshall](mailto:Kim.Marshall@slgfa.org), 800-622-3446, ext. 635.
